

Introductory Offer (Kingston, Ontario)

For a limited time Seragree™ is offering On-Site technical services to all new customers in the Greater Kingston Area at the low introductory rate of \$50.00 per hour.

Covers all consulting, hardware service, software service, and technical support questions.

How does it work?

Call (613) 634-9920 to schedule an in home service request and we do the rest.

A Seragree™ service manager will call you personally, reviewing your service request in detail, and dispatching a professional, friendly and qualified service technician to get you the service you need to have your system running promptly.

You can call Seragree™ (or book online) 24 hours a day, 7 days a week to request onsite service and we will be at your door that same day or within 24 hours of your call.

This is a limited time offer to introduce our services to the community. This offer may end at any time, so act now.
